Prospects For 1976

General Assessment

Michigan State could have another fine football team this fall, one which might be a Big Ten title contender.

But there are so many imponderables—a new coaching regime, a recently imposed NCAA probation, a squad plagued with physical problems and ineligibilities—that the whole picture is clouded with uncertainty.

"We feel that we have some outstanding players," says new Head Coach Darryl Rogers, "but my staff and I have only been here for spring practice and it's very difficult to forecast how we are going to perform. I think Michigan State will be a Big Ten championship factor because we'll be playing the teams that are going to be battling for the title. But we do have problems."

About the Schedule

It's a brutal slate which would tax any team to the utmost.

"Our first five games will be the tempo-setters for the final six against Big Ten opponents," says Rogers. "When you open at Ohio State and follow with games against Wyoming at home, North Carolina State away, Notre Dame at home and Michigan at Ann Arbor, you've got a tall order to fill. Ohio State, Michigan and N.C. State all were bowl teams after last season, and Notre Dame turned down a bid. Wyoming won't be easy, either. They've a new coaching setup under Fred Akers and they'll be stronger than they have been recently.

"The last six with Minnesota, Illinois, Purdue, Indiana, Northwestern and Iowa sound like nothing but trouble, too.

"Such a schedule is something different from San Jose State. There, we had two or three big games which we could point for. Here, every Saturday is difficult."

Personnel Report

The return of 44 past letterwinners, 41 from 1975 and three from 1974, is anticipated. But this seemingly positive picture is complicated by injuries which may keep a number of important players on the sidelines and varying periods of ineligibility for some others due to NCAA action.

Injured athletes whose playing status won't be determined until fall drills include Otto Smith, All-Big Ten outside linebacker in 1974; first-string inside linebacker Kim Rowekamp, and first-team outside linebacker Tom Graves, a second-team All-Big Ten selection as a freshman in 1974.

Fullback Levi Jackson (40) gained 1,063 yards in 230 carries during the 1975 campaign.

The NCAA has decreed that first-team defensive back Joe Hunt is out for the season and six others were ordered sidelined for lesser periods of time. All-Big Ten tight end (1975) Mike Cobb is required to sit out the first five games and five other men are to miss the opener with Ohio State. They are defensive back Ted Bell, middle guard Melvin Land, 1975 All-Big Ten defensive tackle Larry Bethea, outside linebacker Jim Epolito and quarterback Eddie Smith, who achieved starting status in 1976 spring drills.

Probable Assets

"I think the main strength of our football team lies in the tradition that Michigan State plays good defense," says Rogers. "I expect us to do so again this fall. And I think we have an important plus in some proven running backs, as well as some outstanding players in other areas, too."

A deep and experienced backfield corps figures to be the defensive bulwark. Six letterwinners return: 1975 regulars Tom Hannon, John Breslin and Mike Imhoff, plus Ken Jones, Dave Duda and Bill Broadway.

Running backs who impressed coaches with their spring work were 1975 regulars Richie Baes and Levi Jackson, along with returnees Jim Earley, Leon Williams, Nick Rollick and Joe Malinowski.

Problem Areas

No. 1 issue to be resolved is the quarterback situation. Junior-to-be Eddie Smith held a slight edge over three competitors in spring drills. They were senior Marshall Lawson and sophomores Ken Robinson and John Vielhaber. They will be joined in the fall by four more hopefuls for the signal-calling role: senior Tyrone Willingham, who was with the baseball team in the spring, and freshmen Mike Marshall, Mark Marana and Mark Anderson. Sorting their way through that large group will be a testing chore for the coaches.

Also crucial will be the matter of rebuilding a defensive line where only two physically sound regulars of 1975 return. They are senior outside linebacker Rich Washington and tackle Larry Bethea. A healthy Otto Smith, who missed the entire 1975 season with a knee injury, would strengthen the OLB corps considerably. Others figuring strongly at that position are Mike Dean, Craig Fedore and Jim Epolito. John Malinosky is a veteran tackle and juniors Jim Thomas and Melvin Land lead the middle guard candidates.

Junior Paul Rudzinski is the leading inside linebacker back again. The condition of Kim Rowekamp's knee is worrisome. Seniors Greg Young and Willie Smith should see action.

The search will continue for competent wide receivers, with particular attention focused on veterans Dave Radelet, Kirk Gibson and Dan DeRose, all of whom worked well in the spring, and soph Gene Byrd, who missed most of the spring work with a foot injury.

Three past letterwinners, Hans Nielsen, Tom Birney and John Powers, will vie for kicking chores.

About the System

"We'll be primarily an 'I' football team," says Rogers. "We'll split backs a great deal, use an unbalanced line a lot and probably pass more than is customary in the Big Ten. But we're not going to be a pass-crazy team. We hope we can average 75 offensive plays a game, and of those we want a minimum of 24 to 28 passes. Run and pass balance is important.

"Our defense will be a basic Oklahoma, which we refer to as 'Fist.' Most of the time we'll have three down linemen, four linebackers and four defensive backs." (Note — Players once termed defensive ends now are called outside linebackers.)

Rating the Freshmen

The incoming group of 19 student-athletes appears to be a strong and versatile one.

"We have no way to assess individual freshmen as yet," says Rogers, "but it appears the previous staff did an outstanding recruiting job under adverse conditions. One of the group, Mike Densmore, entered school winter quarter and participated in spring practice. He moved up to first-team offensive guard. From that experience, I can only assume we'll have a quality group of freshmen."

The most highly touted of the freshmen are quarterback Mike Marshall and tight end Mark Brammer.

Veterans on the Move

Returning players who had fine spring reports and appear on the move to prominence include 235-pound fullback Jim Earley, inside linebacker Larry Savage, cornerback Jerome Stanton, quarterback Eddie Smith and wide receivers Kirk Gibson and Gene Byrd.

Fall Practice Plans

The annual Press Day will be held on Saturday, Aug. 21, and drills will begin on Monday, Aug. 23.

Inside linebacker Kim Rowekamp (43), coming off knee surgery, is counted on to stabilize the defense.

Best Bets for Stardom

Several Spartans have proven their exceptional abilities in past campaigns and rate a listing as potential stars. Among them are:

Levi Jackson, senior fullback. He's led MSU rushing two straight years, running for 942 yards in 1974, the third best total in Spartan history, and topping that last fall with 1,063 yards. The latter figure is bested in MSU history only by Eric Allen's phenomenal 1,494 yards in his All-America year of 1971. State's career rushing mark is Allen's 2,654 yards, and Jackson with 2,043 going into his final season is in an excellent position to break it. "Levi has the ability to run with tremendous balance and power," says Rogers. "He doesn't go down easily. He has the God-given talent of maintaining balance when hit and keep going. He runs a lot bigger than he is." An All-Big Ten choice in his sophomore season, Jackson will live in Spartan lore for his 88-yard sprint for the game-winning touchdown in the classic 16-13 upset of Ohio State in 1974.

Kim Rowekamp, senior middle guard-inside linebacker. This 6-2, 253-pounder has everything a great defensive player needs: size, power, speed, competitive fire and brains. This will be his third season as a regular and the only question about him is the condition of his injured knee which required surgery last fall. He led the team in 1975 with three pass interceptions, recovered two enemy fumbles and made the Spartan middle a very unhospitable place for opponents.

Larry Bethea, junior defensive tackle. This rangy, swift, 6-4, 232-pounder is a remarkable athlete who last season made the switch from tight end to defensive tackle in brilliant fashion. Playing the tackle post like he'd done it all his career, he produced such whopping stats as 13 tackles of opposing backs for losses totaling 60 yards and 97 total tackles including 47 solo numbers. He was named to the Chicago Tribune's All-Big Ten team.

Tom Hannon, senior defensive back (free safety). Hannon was named to both wire service All-Big Ten teams last season for brilliant work which included three touchdown saves, four passes broken up, two intercepted, two fumbles caused, two recovered and 93 total tackles, including four for losses totaling 18 yards. He was used frequently on a safety blitz play which was highly successful, and also was the club's regular punt return man. Of Hannon, Rogers says: "He's excellent at reading the opposing quarterback and gets a good jump on the ball. Consequently, he makes things happen from his free safety post."

Otto Smith, senior outside linebacker. If his knee comes around 100 percent from the surgery which knocked him out of the entire 1975 season, he'll be a brilliant player. He made both AP and UPI All-Big Ten in 1974 and seemed headed for even higher honors when he was injured in the early minutes of the opener. At 6-3 and 210, he's a vicious tackler who relies on aggressiveness and speed rather than power.

Tom Graves, junior outside linebacker. This brilliant 6-3, 210-pounder made second team All-Big Ten as a freshman in 1974 at strong safety. He suffered a knee injury in a preseason scrimmage last fall, yet played 233 minutes at the post despite being obviously sub-par. He underwent surgery after the season. Switched to the linebacking post by Rogers, Graves could be one of the best in the business if his knee is okay again.

Other Spartans who could have the kind of seasons which rate special kudos are **running back Richie Baes, center Al Pitts, tight end Mike Cobb,** who made All-Big Ten last season, **offensive guard Ray Spencer, inside linebacker Paul Rudzinski** and **defensive backs John Breslin, Ken Jones and Bill Broadway.**

Defensive back Tom Hannon (45) was a first-team All-Big Ten pick for his fine play in 1975.

1 TERRY ANDERSON TB, 5-11, 185, 18, Freshman, Detroit.

Two-way backfield performer for Southwestern High School. Lettered in basketball, baseball and track, as well as in football. Among Southwestern teammates on club that won Detroit Public School League title was quarterback Mike Marshall, also with the Spartans this fall. Made all-league unit picked by Detroit News. Born 4-24-58 in Detroit.

66 SEDRIC (RICK) AUDAS OT, 6-4, 250, 18, Freshman, Saginaw.

Considered by many the finest offensive blocker in the tough Saginaw Valley Conference off his play with Arthur Hill High School team. Named to all-state first team picked by Detroit Free Press. Has been clocked in :05.1 for the 40 and can bench press some 330 pounds. Born 7-14-58 in Saginaw.

3 RICHARD BAES TB, 5-9, 186, 21, Senior, Brookfield, Wis.

Twice a letterman at tailback, the regular at the position most of the last two years, and one of the most consistent and dependable of any Spartan. Heads into fall as the first-stringer. Was leading ground gainer in spring wind-up game with 64 yards gained on 17 carries. Great success story, having come out for the team as a walk-on in frosh season and working his way up the ladder to the top. Zoomed into prominence in 1974 soph campaign as he rushed for 754 yards on 181 carries and scored nine touchdowns to rank second for MSU in rushing and scoring. Last fall, he was used sparingly in the early going, but came on strong to finish with 531 yards via the rush, third best for State. Ranked 13th in Big Ten with 492 yards in 117 tries. Big day was against Indiana when he gained 139 yards. The year before against the Hoosiers, he ran for 159 yards. Also utilized as a receiver, snaring six aerials for 89 yards. Worked on the kickoff return unit, with six returns totaling 84 yards. Saw 257 minutes of game action. Intelligent runner with average speed who knows where to go and hits hard. Always seems to pick up the vital yardage needed. Born in Lansing 8-5-55 and played at East Lansing High through soph season where a teammate and close friend was John Breslin, also with the Spartans. Family then moved to Brookfield prior to junior season. Academic major is accounting. Solid work on field and in classroom resulted in Richie being named to 1974 All-America Academic second team.

81 BRENDON BARBER FL, 6-1, 183, 22, Senior, Georgetown, S.C.

Seeks playing role among Spartan wide receivers in final varsity bid. Did not appear in game action during 1975 campaign. In 1974 junior season, he got into three games for a total of six minutes of play. He was hampered in spring practice period by a ham-string muscle pull, but he should be in tip-top shape once fall drills resume. Former Winyah High School pass receiving star who was named his team's most valuable performer. Native of Georgetown, born 2-20-54. His academic major is urban and metropolitan studies.

49 DAN BASS ILB, 6-1, 205, 18, Freshman, Bath.

Twice an All-Ingham County League selection for fullback and linebacker play at

Bethea Birney Breslin

Bath High School. All-state on AP's Class C first team. Rushed for 1,395 yards and scored 22 TDs. Defensive captain for three years. Lettered in football, basketball, baseball and track. Born 3-31-58. Dad was a gridder at Defiance College in 1951.

20 TED BELL DB, 5-11, 179, 21, Junior, Youngstown, Ohio.

Playing a new role in college ball, moving from offense to defense by his own request. Made the change because he felt his injured knees, which already have undergone two operations, wouldn't hold up against offensive load. Ted had played safety on defense at Cardinal Mooney High in Youngstown where his greatest fame came as an offensive back who gained 2,400 yards and scored 29 TDs as a senior and gained All-America honors. Has a lot to learn in new position, but a fine future for him there is predicted. He's a fine athlete, a tough youngster who'll hit people. Saw his first varsity action last fall when he started at tailback against Ohio State. Ran for 12 yards on five carries in the first period before an ankle injury sent him to the sidelines. Didn't get back into play until Purdue contest and, in all, made appearances in four contests totaling 29 minutes. Earned varsity letter. Rushed 19 times for 63 yards and scored TDs against Purdue and Northwestern. By NCAA edict relating to MSU's football probation, Ted has to sit out the first game this fall. Born 4-23-55 in Youngstown. Majors in general business administration.

88 LARRY BETHEA DT, 6-4, 232, 20, Junior, Newport News, Va.

Turned in excellent season at defensive tackle in 1975, his first year at the position. Blessed with tremendous physical ability and has the potential of being one of the finest performers in the nation. Larry was named to the All-Big Ten first team picked by The Chicago Tribune after a campaign in which he saw 290 minutes of game action. Ranked No. 2 in total tackles for the Spartans, with 47 solo and 50 assists for 97. Dropped opposing backs 13 times for losses totaling 60 yards. Performance against North Carolina State in regional TV game earned for school $1,000 Chevrolet scholarship award as the outstanding defensive performer. Started MSU career at tight end and lettered with 144 minutes played in 1974. The following spring, the team needed help at tackle on defense. He was moved there and, within days, established himself at the spot. He started with a bang in the fall and was never headed. Solid in his work all spring and was named the outstanding defensive performer in the Green and White wind-up game. Native of Florence, S.C., born 7-21-56. Graduate of Ferguson High School. All-America as a senior, and team captain and most valuable, too. Has not designated academic field. By edict of NCAA relating to MSU's football probation, he'll sit out first game.

2 THOMAS BIRNEY K, 6-4, 211, 20, Junior, Detroit.

Has lettered in freshman and soph seasons as a kicking specialist and set for similar duties heading into junior campaign. Last fall, he did virtually all of the kickoff chores and some of the punting. On the latter assignment, he booted five times for an average of 39.2 yards per kick. Consistently long and high on the kickoffs. Did some field goal and extra point work and most of the punting as a freshman, but Hans Nielsen now handles field goals and PATs. In 1974, Tom made six of eight extra point tries and missed on two field goal kicks. Got in a lot of work on punts in drills last spring, and in the Green and White wind-up contest, averaged 38.3 yards on nine boots. Born 8-11-56 in Glasgow, Scotland, and lived there until he was six. His father played soccer for 15 years in Detroit leagues. Tom was a letterman at Bishop Borgess High and was coached there by ex-Spartan lineman Fred Mushinski. Earned all-state honors for his kicking and set a Catholic League mark in field goals with a 47-yard boot. His major is health, physical education and recreation.

91 MARK BRAMMER TE, 6-4, 205, 18, Freshman, Traverse City.

Considered one of MSU's top first-year prospects off his outstanding play at Traverse City High School as a tight end. He was UPI's "player of the year" in Michigan and was named to the All-America team selected by Scholastic Magazine. Also named to Detroit News and AP all-state first teams. In his senior season, he caught 34 passes for 418 yards and 12 TDs and was considered a devastating blocker. Team MVP in 1974 and 1975 and was school's homecoming king in 1975. Born 5-3-58.

5 JOHN BRESLIN DB, 5-11, 186, 21, Senior, East Lansing.

Twice a letterman, and highly experienced and extremely dependable in Spartan secondary. Starter much of the time last fall at cornerback and should see a lot of action his final year at strong safety and at short side corner. He's at his best defending against the run. Saw action in all but two games in 1975, playing a total of 172 minutes. Injuries kept him out of the other two encounters. Credited with 12 solo and 13 assisted tackles for a total of 25. Recovered two opponent fumbles. First lettered in 1974 when he was in every game and played 289 minutes. Son of MSU executive vice president Jack Breslin, himself a Spartan athletic great in football and baseball in mid1940s. Follows older brothers Jay (football) and Brian (basketball) in MSU athletic careers. A teammate and close friend early in his East Lansing High career was present Spartan tailback starter Richie Baes. East Lansing native, born 5-22-55. His academic major is financial administration.

6 WILLIAM BROADWAY DB, 5-11, 193, 19, Sophomore, Flint.

Impressive in his first year with varsity as a defensive back and ticketed for a starting berth this fall as a cornerback. Considered to have as much ability as anyone in secondary corps. He has good size, speed and toughness. Possesses all the ingredients to succeed. With experience, could be a great one. Lettered in frosh campaign with 129 minutes played in last seven games. Missed early portion because of an injury. Credited with four solo and five assists in tackles. On kickoff return unit, with eight kicks returned for 133 yards and 16.6 average. Compiled fine record at Northern High School in Flint. Gained 1,144 yards in senior year. In the process, broke eight-game mark set by LeRoy Bolden, later an MSU All-America back. Born 5-9-57 in Flint. Has not yet designated academic major.

70 TONY BRUGGENTHIES OT, 6-3, 260, 21, Senior, Denver, Colo.

One of most experienced offensive linemen State has. Likely to keep starting position for third straight year. Had good spring practice period and adjusted well to MSU's new offense. Has to work hardest in area of pass protection as Spartans lean much heavier to aerial game. Big and strong and consistent in his work. Now physically sound after missing some early 1975 season playing time because of leg injury. Earned second varsity letter with 274 minutes played in 10 contests. First varsity "S" was awarded in 1974 when he was in for 218 minutes. Born 12-29-54 in Denver. All-city and all-state at Mullen Prep School. Tony's major is horticulture. His father operates a greenhouse business back home and Tony has worked in all phases of the operation during summer months. Married MSU coed Karen Gottschalk in July.

84 EUGENE BYRD SE, 6-0, 170, 19, Sophomore, East St. Louis, Ill.

Highly regarded wide receiver in his second year with varsity after fine initial season which saw him lead Spartans in pass receptions. Caught 10 aerial tosses for 266 yards and one touchdown as freshman. Made several spectacular catches in heavy traffic. The score came on a 59-yard pass play from quarterback Charlie Baggett against Northwestern. Played in nine games for 134 minutes. Gene missed most of spring drills because of foot injury and has much to catch up on in State's new offensive concept. He has excellent speed and certainly can catch the ball. Comes into fall ball listed behind Dave Radelet. Definitely room for both. Graduate of East St. Louis Senior High with three grid letters. Native of that city, born 6-7-57. All-Southern Illinois all-stater and St. Louis All-Metro selection. Team posted fine 27-5-2 mark in his varsity years and has sent a number of its members to college teams. Also ran hurdles in track as prep. Yet to designate academic field of study.

89 MICHAEL COBB TE, 6-5, 243, 20, Senior, Youngstown, Ohio.

An outstanding talent throughout a fine career at tight end for Spartans. Three-time letterman and starter almost all his career. All-Big Ten for an excellent 1975 season. By NCAA edict relating to MSU football probation, he'll have to sit out State's first five games. Big and agile performer with super talent. A fine blocker with crunching power. Not a prime passing target in State offense in past seasons, but position in new offense will see many more aerials tossed that way. He has the good hands for catching the ball. Mike missed practically all of spring drills because of an elbow injury. Should be OK come fall. Won his third letter with 390 minutes of varsity action to his credit. Caught 10 passes for 151 yards in 1975. First letter awarded in 1973 with 259 minutes played and four receptions for 28 yards. In soph year, he played 296 minutes. Stats showed three catches for 69 yards and one score. Born 12-20-55 in Youngstown. All-city and all-state in football at North High School. Also a fine basketball player. MVP in both sports at North. Major field is criminal justice.

72 THOMAS COLE OT, 6-3, 243, 21, Senior, Howell.

Experienced offensive lineman who's recovered from knee surgery and ready to make strong contribution to team in final season. Started out in 1975 as reserve center, then pressed into service at tackle to temporarily replace injured Tony Bruggenthies. Made the move three days before Ohio State opener. Did a splendid job even though he worked on a bad knee, and played 135 minutes in five games. Finally had to go to the sidelines and subsequently had operation. Fine competitor who's worked long and hard to bring himself to fine physical and competitive level. Not big enough to stay at strong tackle where Bruggenthies prevails, but should help at the quick tackle where soph Jim Hinesly is No. 1 at start of fall. Earned first varsity letter in 1974 with 69 minutes played and appearances in all 11 games. He's a Howell native, born 6-22-54. Won All-Capital Circuit selection for prep play. Was team cocaptain. His academic major is criminal justice.

16 ALAN DAVIS DB, 6-2, 180, 18, Freshman, Huntington Woods.

Versatile back from Berkley High School who's considered one of the finest gridders from the south Oakland County area. Did just about everything for Berkley club, playing quarterback and defensive back, placekicking, punting, returning punts and kickoffs. All-league, all-area and all-stater, as well as team MVP. Starting guard in basketball as a junior and a sprinter on track team. Born 6-19-58 in Detroit.

82 MICHAEL DEAN OLB, 6-3, 225, 20, Junior, Dayton, Ohio.

Letter winner at defensive end his first two years with varsity and solid in the playing picture as 1976 rolls around. Was called upon often in 1975 as Spartans tried to make up for loss of Otto Smith early in season opener. Mike responded with skillful work in tough situations. Saw 121 minutes of action in all to letter, although an ankle injury kept him out of three contests in midseason. His defense against the run is his strength. Must work on pass phase. First lettered in 1974 with 74 minutes of play, much of his work again in relief of the injured Otto Smith. Born 7-15-56 in Fairmont, W. Va. Graduate of Dunbar High in Dayton. All-city at defensive tackle and team MVP pick. Teammate there was current Spartan fullback Jim Earley. His brother, Henry, was a footballer at Western Michigan. Majors in general business administration.

50 MICHAEL DECKER ILB, 6-1, 230, 19, Sophomore, Roseville.

turned in excellent spring practice period. Found himself in starting spot in several scrimmages and proved he's come a long way. Definitely will help Spartans this fall. Did not see varsity game action as a freshman. Graduate of DeLaSalle High in Detroit. Named to Catholic League Central Division all-star team. Was a standout pitcher in baseball, as well. Born 2-4-57 in Detroit. Has yet to designate major field of study.

61 MICHAEL DENSMORE OG, 6-2, 258, 18, Freshman, Lapeer.

Has made truly remarkable progress in brief Spartan career, coming to school as midyear graduate and battling his way to starting offensive guard slot in initial spring drills. He's a big, strong and eager young man with much to learn, but with loads of potential. Rated out the best of any guards in one particular spring scrimmage. First observed by State staff at Summer Sports School at MSU. Played both ways at tackle for a West High team that went 7-2 in 1975. All-league selection and all-state honorable mention. Team's most valuable lineman. An uncle, Dr. Kurt Bassett, was a standout grid athlete and scholar at Ferris State 1968-70. Mike was born 4-17-58 in Lapeer. Has not as yet designated a major course of study.

19 DANIEL DEROSE FL, 6-1, 180, 22, Senior, East Lansing.

Fine pass-catcher who figures to fit well into State's accelerated passing game in final season with varsity. Came out for ball as a walk-on two years ago and although he's not seen varsity action, he's stayed with it and now rates No. 2 spot at flanker. A shortcoming is lack of speed. But he possesses excellent hands for passcatching and he manages to come up with most every ball that is thrown near him. His coaches are confident he'll play. Originally enrolled at MSU after graduating from East Lansing High School in 1972. Then transferred to Arizona, but returned to State to continue his studies. At East Lansing High, he was all-city and All-South Central Conference selection as a receiver. Born 12-13-53 in Pontiac. His dad, Paul, now with Michigan Department of Education, was basketball player at State in late 1940s. Astronomy has been a hobby. Dan's academic major is astrophysics.

15 DAVID DUDA DB, 6-2, 201, 21, Senior, Mt. Clemens.

Twice a letterwinner as a defensive back and one of the more experienced and versatile defenders Spartans have. Does everything very well and simply gets the job done. The guy in front of him going into fall at strong safety is All-Big Ten first team pick Tom Hannon. But he's certain to work in some place. Won his first letter in 1974 with 74 minutes played. Put his punting ability to good use and did excellent "relief" job in upset win over Ohio State. Did not do any booting last fall in games as he earned second letter with appearances in all but one game totaling 74 minutes. Had two interceptions to his credit and seven solo and four assisted tackles for a total of 11. He's the younger brother of Mike Duda, who lettered at defensive end for State in 1972-73-74 and who last fall was graduate assistant with Spartans. Another brother, Paul, was a player at Colorado State and dad, George Duda, played the sport at Central Michigan. Dave was born 7-16-55 in Mt. Clemens. All-state honors were his for prep play. At State, he's majoring in zoology.

48 JAMES EARLEY FB, 6-1, 231, 20, Junior, Dayton, Ohio

Big and powerful runner who teams with starter Levi Jackson to give Spartans excellent strength in rushing from fullback. Turned in fine spring practice period. At times, the Spartans used a two-fullback system with Jim and Levi in simultaneously. Earley is one of the biggest men State has had at the position, and he seems headed for real stardom. His blocking has improved with his running. Carried the ball 23 times in 1975 for 115 yards as he earned second letter. Scored his first collegiate TD on a 10-yard scamper against Northwestern. Played 114 minutes with appearances in all but one game. In 1974, playing at 249 pounds, he lettered with 70 minutes of action and 122 yards gained on 22 rushes. Born 1-23-56 in Dayton. Graduate of Dunbar High with honors for backfield play. Current Spartan teammate Mike Dean was in the same class. Has yet to designate academic major.

87 JAMES EPOLITO OLB, 6-1, 204, 21, Senior, McKeesport, Pa.

One of the fine athletes with Spartans who's had a run of injuries that has disrupted his career to date. Was progressing extremely well last spring at outside linebacker when a strained knee ligament sidelined him. Appears to have recovered and heads into fall listed as No. 2 man behind starter Craig Fedore. Can make strong challenge to anyone ahead of him. Sat out entire 1975 season as he recovered from knee surgery in spring of 1975. In the past, has played tight end, center, defensive back and with specialty units. Lettered in 1973 with 61 minutes played and in 1974 with 65 minutes. All-state selection in Pennsylvania for McKeesport High School, and played in that state's famed Big-33 contest. McKeesport native, born 2-3-55. A communications major at State. By NCAA edict relating to MSU football probation, he'll have to sit out the first game this fall.

38 CRAIG FEDORE OLB, 6-1, 202, 21, Junior, East Lansing.

Product of nearby East Lansing High who's playing excellent ball, and heads into fall as No. 1 man at one of team's outside linebacker positions. Already has lettered twice, performing at end and as a linebacker. Seems to be well set in current role. He's agile and quick, hard-nosed and a smart student of the game. Did extremely well in spring practice period, making the big play time after time. Appeared in all but one game last season, with time totaling 195 minutes. Saw 65 minutes of action to earn first letter in 1974. Born 9-6-55 in Jackson, Mich. Graduated from East Lansing High in 1974 and was all-state for grid play. Dad, Robert, is assistant dean for student affairs in MSU's College of Osteopathic Medicine. Brother, Dan, was a star performer in football at Wyoming. Craig started his high school grid career in Missoula, Mont., where dad held position at University of Montana before returning to MSU. He's a premedical major.

76 ANGELO FIELDS OT, 6-6, 275, 18, Freshman, Washington, D.C.

Graduate of Wilson High School in the nation's capitol. Native of that city, born 9-15-57. Three-year football letterman who performed as a middle guard. All-city selection for grid play. Team captain for two years. Also lettered in basketball and track.

92 MATT FOSTER TE, 6-3, 210, 18, Freshman, Livonia.

Comes in as Spartan freshman on heels of fine career at Livonia Churchill High School. Linebacker on Detroit News all-state team. Football MVP in senior year and most valuable in basketball as a junior and senior. Born 5-26-58 in Dearborn. Dad was a football and basketball performer at University of Detroit.

23 KIRK GIBSON FL, 6-3, 206, 19, Sophomore, Waterford.

Starter for almost the whole season in 1975 at flanker in his freshman campaign. Wound up as No. 2-ranking receiver for Spartans and scored more touchdowns — four — than any other pass catcher. Learned a lot and continued to show good improvement in spring practice period. He's a rangy youngster with good, all-round abilities and fits well into the scheme of things as State places more emphasis on the pass. Saw 278 minutes of action in initial season to earn letter. Caught nine passes for 262 yards and the four TDs. One of the scores was the fifth longest pass play in Spartan history — a Charlie Baggett aerial that totaled 82 yards for six against Iowa. His first TD reception was a 56-yarder from Baggett that won the Miami contest. In last spring's Green and White game, Kirk snared four passes for 106 yards, including TD strikes from quarterback Ed Smith for 30 and 51 yards. He's a native of Pontiac, born 5-28-57. Graduated from Kettering High with all-league and All-Oakland County honors. Also plays some baseball, performing in the Pontiac Class A league last summer. Has not designated academic major.

97 TED GRABENHORST DT, 6-5, 258, 19, Sophomore, Mt. Morris.

Making good progress in defensive tackle play as he heads into second varsity season. Good opportunity to move into contention in area where Spartans do not have too much proven depth. Did not see varsity game action in 1975. Performed in starting role for the White team in spring wind-up game and was credited with four tackles. He was one of the most honored players at Johnson High in Mt. Morris. Named to the Metro League's all-conference first team, and selected as team MVP and honorary captain. Has not designated major field of study.

10 THOMAS GRAVES OLB, 6-3, 211, 20, Junior, Norfolk, Va.

Availability to club this fall is a question mark due to slow recovery from knee surgery. One of the team's most talented performers who had a great freshman season at strong safety. Slowed considerably during 1975 by knee injury incurred in early fall, but did play 233 minutes in 10 of 11 games to earn second letter. Had operation after the season and did not scrimmage in the spring. It was decided to move him to outside linebacker to take advantage of his range and mobility. But there was little chance to learn the new position and now it will be an early fall look to see what he can do. Tom started his first game in frosh season and did an excellent job throughout the year. He played 339 minutes in all, led the team in interceptions with four and was the short man in punt return situations. Had 24 solo and 11 assisted tackles. Ironically, one of the few instances he took the punt was when the injury occurred. Last fall, he was credited with two interceptions, had 15 solo and 13 assisted tackles, recovered one fumble and broke up four aerial plays. Compiled brilliant football and basketball record at Lake Taylor High. Made All-America and all-state teams as quarterback and defensive back. Norfolk native, born 12-18-55. Has not designated academic major.

24 CURTIS GRIFFIN DB, 6-3, 205, 19, Sophomore, Southfield.

One of the biggest surprises in spring drills. From reserve role in secondary as freshman, he's come full circle to rank as No. 1 strong safety heading into fall. Highly talented performer from Birmingham Brother Rice High School team who made his mark there as a receiver. Seems right at home now in MSU defensive role. Has good size and speed. His height makes it hard to throw over him. Moves much better as he continues to learn, and his confidence in himself is much stronger. Has yet to play a minute in a game, but the needed experience will come in a hurry. Born 2-20-57 in Detroit. Father was a football and basketball player at Albion College. Curt's high school coach was one-time MSU quarterback Al Fracassa. Brother Rice was State's No. 1 Class A team in his senior year. He earned all-state honors with 24 passes caught for 285 yards and five TDs. Has not designated academic major. Lists his hobbies as music, camping and activities in the American Baptist church.

74 HARRY HAGSTROM OT, 6-6, 260, 18, Freshman, Cadillac.

First-team North Central Conference pick for fine offensive tackle play at Cadillac High. Lettered in football, basketball and track. Born 12-5-57 in Cadillac. Dad, who's now a police officer, was once a Golden Gloves boxer. Hopes to major in political science.

45 THOMAS HANNON DB, 6-0, 196, 21, Senior, Massillon, Ohio.

One of State's prime candidates for post-season all-star honors. Starter in the secondary for two straight seasons and All-Big Ten first team after 1975 campaign. Had excellent spring in his free safety position. Keeps hard at work to improve his play. Good, all-round abilities and puts them to good use in all phases of his game. Earned his third letter in 1975 with 330 minutes of action. Third high on team in tackles, with 59 solos and 34 assists for total of 93. Four of his tackles dropped foes for losses totaling 18 yards. Recovered two opponent fumbles, intercepted two passes, broke up four aerial plays and was credited with three touchdown saves. He was the deep man on the punt return unit, and brought back 15 punts for 116 yards. Two seasons ago, he lettered with varsity action of 360 minutes, and among key stats were two pass interceptions, 39 solo and 16 assisted tackles, and 24 punt returns for 199 yards. First lettered in 1973 with 99 minutes in defensive reserve role. Born 3-5-55 in Massillon. All-America and all-state for grid play at Washington High School. Set his sights on playing defense

from the very beginning, and obviously has thrived on it. His MSU academic major is health, physical education and recreation.

13 MICHAEL HANS TB, 5-10, 192, 20, Junior, Pittsburgh, Pa.

Makes second bid for spot among Spartan tailbacks. Member of squad in 1975, but did not see game action. One of two tailbacks performing for White unit in spring Green and White game, with one rush for two yards and two pass receptions for 18 yards. Solidly built young man with good moves and should get a good opportunity to show what he can do. Graduate of Central Catholic High School in Pittsburgh, where a teammate was current Spartan quarterback Ed Smith. All-Catholic League selection for halfback and linebacker play. Pittsburgh native, born 8-31-56. Majors in health, physical education and recreation.

95 JEFF HEWITT DT, 6-4, 240, 18, Freshman, Ypsilanti.

Highly regarded 7-A League all-star defensive tackle who comes to MSU team along with teammate Mark Jones. He was a regular for three seasons and all-league choice over the same period. Recorded 57 total tackles as senior, recovered two fumbles and sacked opponent quarterbacks on three occasions. Team cocaptain in 1975. Ypsilanti native, born 2-1-58. Hopes to major in archeology.

73 JAMES HINESLY OT, 6-2, 250, 19, Sophomore, Detroit.

Son of a former MSU grid star who turned in splendid frosh season at tackle and starts in this fall as No. 1 man at his position. Dad, Jim, lettered as an end on the 1954-55-56 teams, the 1955 unit going on to the Rose Bowl. Young Jim, an all-stater out of Detroit Country Day School, got a quick baptism last fall when he was inserted in the opening Ohio State game at injury-riddled tackle positions. He played in every game as a top reserve and earned varsity letter with 110 minutes of action. Turned in excellent spring practice period and continues to improve. Appears to have all the physical capability to go along with intelligence and desire to achieve real stardom in the three seasons he has ahead of him. Jim was born 7-1-57 in East Lansing. He was class vice president and the school varsity club prexy at Country Day. Eyes a career in dentistry.

32 JOSEPH HUNT DB, 5-10, 183, 21, Senior, Toledo, Ohio.

Two-year letterman and a regular most of last season at defensive back. According to NCAA edict relating to MSU's football probation, he will have to sit out the entire 1976 campaign and end his varsity career. One of the most experienced of Spartan defenders and he'll be sorely missed. Played 269 minutes with appearances in every game last fall. Credited with 26 solos and 15 assists for total of 41 tackles. Had one pass interception, recovered one fumble, broke up three aerials and had two TD saves. First lettered in 1974 with 238 minutes played. Has quickness and speed, and shows a lot of aggressiveness. Born 6-17-55. Graduate of Scott High School, with all-city selection his for standout play at safety. Majors in urban and metropolitan studies.

11 MICHAEL IMHOFF DB, 5-11, 186, 20, Junior, Union Lake.

Appears to be solidly on the way back after recovery from knee surgery that put him out of action early in the 1975 season. Starter for much of his frosh season in 1974 at cornerback. Began 1975 season in excellent fashion until severe knee injury was sustained on opening kickoff of State's game at Notre Dame and the operation followed. Had played 84 minutes at time of injury, enough to earn him second varsity letter. Got his first "S" with 270 minutes played in 1974, 22 solo and 15 assisted tackles and one pass interception. Team's No. 1 man on kickoff team with 16 returned for 312 yards. Had two for 29 yards last fall. The knee now seems sound. Mike worked some in spring drills. Come fall, he'll battle for a starting berth currently held by Bill Broadway. Born 11-30-55 in Pontiac. Won 10 letters during a great

career at Walled Lake Central. All-state pick for performances on gridiron at quarterback and flanker. Majors in health, physical education and recreation.

40 LEVI JACKSON FB, 5-11, 206, 21, Senior, Detroit.

Already in the Spartan record books as one of the most productive fullbacks in the school's history. Looking forward to what should be a strong final season. Not likely to carry the ball as often as he did last fall because of more emphasis in passing game. But he's as strong a rushing threat as any back to be found. Levi already has gained 2,043 yards in three seasons, and he'll take dead aim on Eric Allen's all-time high of 2,654. Lynn Chandnois is No. 2 in the book at 2,093. He's averaged 5.2 yards per try on 394 carries and has scored nine TDs. His most famous score always will be the spectacular 88-yard jaunt that enabled MSU to upset top-ranked Ohio State, 16-13, in 1974. Last fall, he became only the third 1,000-yarder for MSU with 1,063 total on 230 rushes. In Big Ten games, he averaged 100.2 yards per contest to rank sixth in the conference. Had five games of 100 yards or better in 1974 when he was on the All-Big Ten first team, and in 1975 he also had five — the best his 180 yards at Iowa. Explosive, powerful and speedy describes Levi. His blocking is solid, too. Jackson played 88 minutes in freshman year, 252 in soph year and 348 last year. All-state and All-America at Detroit Kettering High where he averaged 9.6 yards per carry as a senior. Born 1-17-55. His major is urban and metropolitan studies. No relation to Yale great of same name.

64 ERIC JONES OG, 5-11, 220, 20, Sophomore, Grosse Pointe.

Making good progress in playing bid as he comes off effects of a shoulder operation. Has to wear a special harness which forced him into using a left-hand stance. But he's adjusting well and should earn an opportunity along the way to show what he can do. Turned in fine career as a guard at South High School, with all-state and All-Metro honors his. Born 5-30-56 in Tampa, Fla. Majors in health, physical education and recreation.

30 MARK JONES TB, 5-10, 170, 18, Freshman, Ypsilanti.

28 KENNETH JONES DB, 5-10, 177, 21, Senior, Detroit.

Heads into final year as a likely starter in defensive secondary. Twice a letterman and always a steady and dependable performer. Had a good spring practice period. Makes few mistakes. Plays equally well against the run and the pass. He started a number of games last fall, appeared some in every contest and saw a total of 204 minutes of play. Intercepted one pass, had 14 solo and seven assisted tackles and broke up three pass plays. Lettered initially in 1974 with 68 minutes played. Younger brother of Mike Jones, fine MSU receiver of 1973-74 seasons. Kettering High teammate was Levi Jackson. Ken was born 4-1-55 in Detroit. Standout wide receiver and cornerback for Kettering team that posted 8-1-1 mark in senior season. Academic major is urban and metropolitan studies.

47 MELVIN LAND MG, 6-2, 230, 20, Junior, Campbell, Ohio.

Letterman at middle guard in second varsity season last fall. Now coming back after knee injury and surgery. Was unable to scrimmage in spring drill period and there still are questions on the strength of his leg. Fine physical speciman who's quick and agile. Appeared in six games in 1975 with varsity minutes totaling 62. He's a 1974 graduate of Memorial High in Campbell. Letterman in football, basketball and track. Born 11-30-55 in Youngstown, Ohio. 85 DOUGLAS LANTZ MG, 6-2, 220, 19, Sophomore, Canton, Ohio.

Made tremendous strides in spring practice period and moved right up the ladder to where he was listed as No. 1 at the end of drills. A lot will depend upon how well and where Kim Rowekamp will play as to Doug's ranking in the fall. But he's proved he's learned the position well, doing everything he's been asked to do. Strong youngster with good moves. A 1975 graduate of Perry High in Massillon. Many honors went his way for prep play including All-Stark County, All-Northern Ohio and All-Ohio. Twice honored as team's top lineman. Also lettered in track, wrestling and tennis, with awards in all sports totaling 10. Canton native, born 3-17-57. Works for family floor covering business in summer months. Majors in operations management.

12 MARSHALL LAWSON QB, 6-0, 183, 21, Senior, Lake Charles, La.

Only experienced quarterback starting for State. Waged tight battle with Ed Smith for No. 1 spot during spring practice period. Listed as the second man as fall drills commence. Versatile athlete who can throw and run the ball with equal effectiveness. Operated mainly in rollout pattern in past, but now likely to do most of his throwing from dropback position. Saw action in every game last fall as he played total of 80 minutes to earn first letter. Stats showed him with five completions in 10 aerial tosses for 58 yards and one score — that one a six-yarder to Kirk Gibson for the clinching score at Indiana. He ran 33 times for 75 yards. Quarterbacked the White team in spring wind-up game and triggered offense with 15 completions out of 33 pass attempts for 160 yards and one score. Held out of competition two years ago as he recovered from broken hand, so is likely to have another year following 1976. Directed his Boston High team to a state championship in his senior year as a prep and gained all-state honors for himself. Born in Lake Charles, 9-14-55. Majors in health, physical education and recreation.

94 CRAIG LONCE DT, 6-2, 229, 19, Sophomore, Canton, Ohio.

Moved to the front in fine fashion in spring practice period to earn No. 1 listing at defensive tackle spot opposite Larry Bethea. It represented tremendous progress for Craig, who did not see any game action in frosh campaign last fall. He has good speed, but is not big as tackles go and hopefully will put on some weight. Has all the potential to be a good one if he continues to improve at the rate he's going. Will likely battle John Malinosky for the position come fall. Craig is a 1975 graduate of Central Catholic High School. He was an AA All-Northeastern Ohio selection for his line play. Played first base in baseball and put the shot and threw the discus in track. Canton native, born 4-12-57. Father, a police captain, was a baseball performer at Canton McKinley High in the late 1930s. Marketing major.

21 MARK MARANA QB, 6-0, 170, 18, Freshman, Ishpeming.

Highly successful quarterback of Class C state championship Ishpeming High team. Picked as "back of the year" in Michigan's Upper Peninsula among Class C schools. 63 JOHN MALINOSKY DT, 6-4, 262, 21, Senior, Vancouver, B.C.

Playing the best ball of his Spartan career and battling for No. 1 defensive tackle post this fall. John's been behind a couple of fine people in the past — Jim Taubert in 1974 and Greg Schaum last season. Now he's contending with soph Craig Lonce. He's big and strong and knows his position very well. The best one-on-one man the Spartans have. Earned his first letter in 1975 with appearances in five games totaling 66 minutes. 35 JOSEPH MALINOWSKI FB, 5-11, 199, 21, Senior, Wyandotte.

Helps to make fullback position one of State's strongest. Figures to be back-up man to Levi Jackson and Jim Earley. Strong youngster with a lot of power and he's a good blocker as well. Earned his first letter in 1975 with appearances in four games totaling 40 minutes. Ran the ball twice for seven yards. Started his football career at Minnesota, and in frosh year of 1973 was a starter in one game. Last fall represented his first MSU playing opportunity after he transferred and sat out a year. Coached at Roosevelt High by former Spartan backfield standout Bert Zagers. All-state honors went to him for fullback play. Wyandotte native, born 3-26-55. Majors in financial administration.

60 ANTHONY MAREK OG, 6-2, 226, 21, Senior, Warren.

Perseverance has paid off for this hard-working upperclassman. Playing opportunities in the past have been few and far between. But he stuck it out, had an excellent spring and finds himself with a solid shot at guard on offense heading into the fall. Does most everything quite well and is consistent in his play. The latter is what the staff is seeking and he should be able to stay with it. A 1973 graduate of Cousino High. All-state selection for line play. Chosen by teammates as the club's most valuable performer. Majors in microbiology. Detroit native, born 9-14-55.

14 MICHAEL MARSHALL QB, 6-2, 180, 18, Freshman, Detroit.

Considered one of the finest prep athletes in the nation. Compiled a brilliant record at Southwestern High, with All-America and all-state honors his for quarterback work on a standout team. In a great senior season, he completed 92 of 137 passes for 1,814 yards and 19 touchdowns to lead Southwestern to a second-place finish in state Class A playoffs. 55 JAMES (JODY) McCULLOH MG, 6-1, 217, 18, Sophomore, Youngstown, Ohio.

Making good progress in bid for playing berth on defensive line. Saw brief game action late in the 1975 season totaling seven minutes, but did not letter. Improved in spring practice period and backed up Jim Thomas at middle guard for White team in wind-up game and was credited with six tackles. Definitely will help the club somewhere. Native of Youngstown, born 9-19-57. A 1975 graduate of Cardinal Mooney High where teammates were current Spartans Ted Bell and Bob Sammartino. Mooney was the state championship team in 1973. He played both ways at tackle and was an all-state third-team selection. Among hobbies are listening to music and working with children. His major is telecommunications.

77 REGIS McQUAIDE OT, 6-5, 250, 19, Sophomore, Brentwood, Pa.

Learning a new position after switch to offensive tackle from defensive tackle. Move was made in spring drills. He's a strong and eager young man, but lack of background at the new assignment makes progress slow. Knowledge of techniques and of offense, itself, will take time to master. His coaches feel he's at the right position and they feel he can do it. Came to State with impressive record as a tackle at Brentwood High. All-city, all-state and All-America honors his. Selected to play in state's Big-33 game. Born 7-12-56 in Pittsburgh. Also lettered in swimming at Brentwood. Lifting weights and listening to rock music are among his hobbies. Majors in agriculture and natural resources. At home in the summers, he's worked as a concessionaire at Pittsburgh Civic Arena.

44 ALONZO MIDDLETON FB, 6-1, 220, 18, Freshman, Orangeburg, S.C.

Final signee of State's 1976 recruiting campaign. Big and powerful young man who should help to make fullback position one of team's strongest and deepest.

8 HANS NIELSEN K, 5-11, 168, 23, Junior, Vejle, Denmark.

Well on the way to eclipsing several of State's place-kicking marks. Does strictly field goal and extra point work soccer-style and getting better all the time. Last fall in soph and second letter winning season, he hit on 22 of 24 extra point tries and booted 10 of 14 field goal attempts. He wound up with 52 points scored to pace all Spartans in point production. His longest field goal was a 47-yarder against North Carolina State, one of three in the game. Connected on boots of 46 and 43 against Michigan and 36 and 38 yards in the Illinois game. Accounted for 40 points as a freshman, with a 22 for 24 PAT mark and six of eight on field goals — the longest for 44 yards against Indiana. Hans came to State from Vejle via Manistee, Mich., High School where he was an exchange student and played his first American football. After graduating from Manistee in 1971, he went home for a fifth year of school and later decided to attend college in the U.S. Born 11-18-52 in Vejle. Was last home a year ago. His mother visited the MSU campus this past summer. A predental major. His 10 field goals last fall were one short of Dick Kenney's varsity record. He's just three shy of Kenney's career mark of 19. His 44 extra points rank him fourth on the all-time list.

Joins ex-Gordon Tech teammate Mark Tapling with Spartans. All-city defensive end selection as a prep. Coached by former MSU lineman Tom Winiecki. Won letters in football and wrestling, and also was a boxer of note in school intramural competition. Chicago native, born 2-5-58. Works for city's recreation department in summer months.

56 ALFRED PITTS C, 6-4, 219, 20, Junior, Hubbard, Ohio.

One of team's most reliable and consistent performers who's already earned two letters playing at vital center position. Regular there all last year, with 325 minutes of varsity play credited to him. Has fine, all-round ability. Lean and rangy and good in blocking assignments. Had a solid spring practice period as he faced strong challenge from senior Jim Sciarini. Won first varsity letter with 64 minutes played in reserve role back of Charlie Ane in 1974. All-Steel Valley Conference selection for his play at tight end in senior year. Was switched to center early in Spartan career. Born 12-8-55. Majors in health, physical education and recreation.

68 JOHN POKOJSKI C, 6-2, 233, 19, Sophomore, Battle Creek.

Has work cut out for him as he moves to new position and regains form after knee operation. His freshman position with Spartans was at offensive tackle. Was able to work only briefly in spring practice period, but showed well and has a good opportunity to help the Spartans. Compiled great athletic record at Lakeview High. Named to several all-state units and twice was an all-Battle Creek choice. A catcher in baseball, performing on school team that won a conference title and on champion American Legion unit. Born 5-18-57. His academic major is general business administration.

79 ANTHONY (TINY) PORTER OT, 6-3, 285, 21, Senior, New York, N.Y.

The biggest man with the varsity who's starting to prove he's big in playing ability as well. Lettered for first time as offensive tackle reserve a year ago, and figures to play same role this fall. Progress has been hurt by some extra pounds which he hopes to lose during summer months. That's the one thing that seems to hold him back. Playing time totaled 76 minutes in 1975. He's a 1973 graduate of DeWitt Clinton High School. All-city selection for tackle play. Born 2-11-55 in Harlem. His major is telecommunications. He's a serious

student of music, collecting and listening to records, singing and playing the trombone, and is much interested in doing radio work or recording music.

41 JOHN POWERS K, 6-3, 194, 22, Senior, Lansing.

The regular punter for State for most of last season and vying to do same chores this coming campaign. Kicked a total of 40 times for 1387 yards, an average of 34.7 yards per boot and his longest was a 48-yarder. Tom Birney kicked the other five times and it's likely he'll be the one Powers will battle for the job. John was a high school three-sports standout at Lansing Catholic Central and spent two years at John Carroll University, winning a football letter in 1973. Transferred to State and came to attention of coaching staff when he delivered booming kicks for Freaks team in annual Bull Bowl charity game at Spartan Stadium between Pigs and Freaks. Came out for practice the following spring and earned his position for last fall. Born 1-8-54 in South Bend, Ind. His hobbies include swimming, water skiing and reading. An uncle played football at San Francisco in 1949. Majors in telecommunications and hopes to go into broadcasting work. Active with MSU varsity club, undergraduate organization of lettermen.

29 DAVID RADELET SE, 6-3, 178, 21, Junior, East Lansing.

Making excellent strides as a pass receiver and will rank as the No. 1 man at split end when fall drills commence. His ability to catch the ball and run with it likely to be put to much more use with new emphasis State now places on aerial game. Versatile athlete who was an all-state and All-America quarterback choice as a signal caller at East Lansing High. Did not report for ball until spring of a year ago, preferring first to get settled in class room work. Saw service in each of State's 11 games, with minutes totaling 152. Credited with three receptions for 41 yards. Worked out of the position in Green and White wind-up game and caught six tosses for 54 yards. Born 12-7-55 in Merrick, Long Island, N.Y. Father is Dr. Louis Radelet, professor of criminal justice at MSU, who's a Notre Dame grad and played baseball for the Irish. Younger brother, Steve, is a track athlete at Central Michigan. Majors in economics.

83 KENNETH RAMSEY TE, 6-1, 193, 21, Senior, Detroit.

Has worked long and hard to get himself a playing opportunity and appears to now have the shot. Ranks as No. 2 man at tight end as fall drills commence. Has not been in varsity action in the past. But had a surprising spring, played well and moved up the ladder. He's not big as tight ends go. An intelligent player who knows where to go. Does good job of blocking, catching the ball and running with it. Caught three passes for 52 yards and one score playing for White team in spring wind-up game. Milwaukee, Wis., native, born 12-14-54, and lives in Detroit. Football and wrestling standout at Rufus King High in Milwaukee. All-city as a tight end. Served as governor of Badger Boys State. His major is electrical engineering.

66 JON RAY OG, 6-2, 231, 21, Senior, Beaver, Pa.

Has worked his way back into contention for offensive guard play. Has a shot on the right side where he's listed as No. 2 man heading into fall. Lettered in sophomore season when he played over 60 minutes. Was not in game action last fall. Tough young man who'll hit and work. Compiled fine playing record as a high schooler at Beaver. Played in Pennsylvania Big-33 game after senior season and was all-state selection. Born 1-4-55 in Pittsburgh. Majors in criminal justice.

67 CALVIN REED OG, 6-3, 206, 19, Sophomore, Detroit.

Moved to offensive guard in spring after stints at middle guard and tight end earlier in young Spartan career. Much to learn in techniques and offensive concepts, but he's doing well and should help the team along the way. Saw brief varsity game action late last fall, with appearances in final two contests and playing time totaling nine minutes. All-city and All-Metro selection for tackle play on fine Kettering team. One of three Kettering graduates with Spartans, the others being Levi Jack-

son and Ken Jones. Won a state shot put title as a prep. Detroit native, born 3-27-57. Works for city parks and recreation department in summer months. Has yet to designate major course of study.

9 KENNETH ROBINSON QB, 6-1, 195, 19, Sophomore, Ypsilanti.

One of four quarterbacks who battled for position in spring practice period. Showed a lot with good passing and running performance. Backed up starter Ed Smith for Green team in wind-up game. Completed four of eight passing attempts for 49 yards. Ran for 50 yards on nine rushes and he caught a 49-yard TD pass from fullback Levi Jackson on the Greens' trick play of the day. Ken and soph John Vielhaber figure to contend for No. 3 spot behind Smith and Marshall Lawson when fall practice gets underway. Compiled excellent athletic record at Ypsilanti High. All-state in football and baseball and MVP of grid and basketball teams. Born 1-6-57 in Ann Arbor. Dad played minor league baseball in Chicago Cub organization. Cousin Jeff Washington was a baseball player at Eastern Michigan. Has not designated major field of study. A hobby is playing folk music on the guitar.

26 NICHOLAS ROLLICK TB, 5-11, 178, 20, Senior, Skokie, Ill.

Reward for this hard-working walk-on performer is a solid playing shot at tailback when fall practice commences. In the past, he's been the scouting team runner, often emulating opposing team stars such as Archie Griffin. Good performances in spring ball put him up the ladder to No. 2 tailback spot behind starter Richie Baes. Ran 13 times for 38 yards for White team in spring wind-up contest. Not big as backs go, but knows where the holes are and manages to gain the yardage. Born 11-5-55 in Jacksonville, Fla. Completed his high school education as a senior at Niles Township after moving north. Majors in zoology and hopes to become a marine biologist.

43 KIM ROWEKAMP MG, 6-2, 253, 21, Senior, Kalamazoo.

One of the real blue-chip performers with Spartans and a prime candidate for post-season honors. Hopefully, it'll be a green light to play this fall for Kim, who sat out the spring drills recovering from knee surgery. A healthy Rowekamp would make the team defensive picture a great deal brighter. He was in the midst of a fine season when he was injured in the Illinois game and corrective surgery followed. Kim suffered the injury early in the contest, but played the entire game as State dropped a two-point decision. Performed at middle guard early in season and moved to linebacker when Pat McClowry went out with a knee. Saw 182 minutes of action in seven games, and ended up sixth in total tackles with 26 solos and 33 assists for total of 59. Led team in interceptions with three and recovered two enemy fumbles. He's a great physical speciman, knows the game well and possesses tremendous drive and dedication. Also was a starter entire 1974 season with 330 minutes of play and ranked third in tackles with 45-54 — 99. First letter was earned in 1973 with 61 minutes of action. Born 5-25-55 in Marietta, Ohio. Dad, Bill, played football at Missouri and was an assistant coach in the sport at Western Michigan during Bill Doolittle's regime. Kim earned all-state honors for standout line play at Kalamazoo Central. His academic major is health, physical education and recreation.

37 PAUL RUDZINSKI ILB, 6-1, 219, 20, Junior, Detroit.

One of the most experienced of Spartan defensive line performers with two letters earned. Strong athlete with good mobility. Tabbed for starting duty at one of the inside linebacker posts when fall arrives. First-stringer most of the way in 1975 when he played 270 minutes, missing the Northwestern game because of a foot injury. Busiest games were with Notre Dame and Illinois when he had 14 tackles in each contest. Second on team in solo tackles last fall with 50, and with his 38 assists, totaled 88 to rank fifth for State. Four times dropped enemy backs for losses of

12 yards. Had one interception and it was a dandy, as he ran it back 27 yards for six points against Minnesota. First lettered in 1974 with 110 minutes played. All-America and all-state as a fullback and linebacker at Catholic Central High School. Was his team's MVP three straight times. Born 7-28-56 in Detroit. Dad is an insurance underwriter and played some baseball at State in the early 1940s. Brother, James, lettered in football at Dayton. Has not designated academic major.

98 ROBERT SAMMARTINO OT, 6-2, 235, 20, Junior, Youngstown, Ohio.

Has some ground to make up after missing almost all of spring drills because of a knee injury. Hurt the first day out, but, happily, surgery was not necessary. Should be OK by fall and hopes to work himself into contention. Lacks experience, but appears to have the abilities to get into the picture. Did not see game action in either of his two previous years at State. Member of state championship eleven at Cardinal Mooney High in Youngstown where teammates included Ted Bell and Jody McCulloh of present MSU squad. Tight end as a prep with all-state honors for him. Youngstown native, born 2-2-56. His major is park and recreation resources.

57 LARRY SAVAGE ILB, 6-2, 208, 19, Sophomore, Warren, Ohio.

Enjoyed excellent spring practice period to put himself solidly in contention for playing opportunity. The performance represented a fine comeback after a knee injury in early fall sent him to sidelines. No surgery was required and he has slowly worked himself back into top shape. Listed as back-up man to Willie Smith at one of the two positions as fall drills start. Larry was a second-team all-state pick on defense for tackle play on Howland High School team for which he lettered three times. Born 6-18-57 in Connelsville, Pa. Named homecoming king at his high school. Has not decided on major field of study.

51 JAMES SCIARINI C, 6-1, 225, 21, Senior, Fort Wayne, Ind.

Reserve at center a year ago and letterwinner for the first time. Has continued solid work and battled regular Al Pitts all spring long. Graded out well almost every session. Knows his assignments well. Steady in his play. Intelligent gridder who knows what to do all the time. Snaps the ball for punt and placekick situations. Majors in accounting at State. Married with a son born late last spring. All-stater at Fort Wayne Bishop Dwenger High. Senior class president, too. Born 6-3-55 in Detroit. His father was a football and baseball performer at Eastern Michigan.

80 CHARLES SHAFER TE, 6-6, 205, 20, Junior, Stevensville.

Working his way back into playing contention following knee operation that sidelined him early last fall. At the time he was hurt, he was the No. 2 tight end. Surgery was successful, he did therapy all winter and was able to scrimmage in the spring. The knee appears to be sound, but he is still feeling his way a bit. Has to regain the speed he had before. A highly intelligent young man who knows what to do on the field. Very deceptive. Good hands for the reception and improved in his blocking. Saw brief game action as a freshman, but did not letter. Benton Harbor native, born 11-4-55. All-state for play at Lakeshore High. Also had a fine career in basketball as a prep. Has not designated academic field.

7 EDWARD SMITH QB, 6-0, 162, 20, Junior, Pittsburgh, Pa.

Emerged as team's top quarterback in spring practice period. Impressive with pin-point passing all along and in total all-round play, as well. Quick feet and quick hands are prime assets which help him to fill requirements of new Spartan offensive concept. He's yet to play a minute of a varsity game, having been held out last fall. Lack of experience, thus, is a major handicap, but he's shown he can do the job. Due to NCAA edict relating to MSU's football probation, he's to miss State's first game in the fall. Named the outstanding offensive performer in last spring's wind-up game. Completed 11 of 16 pass attempts for 170 yards and two scores. Connected for TDs on strikes of 30 and 51 yards to flanker Kirk Gibson. Pittsburgh native, born 1-13-56. First-team all-state selection and Scholastic All-America pick for fine work with Central Catholic team. Brother, Danny, played football for Edinboro State. Has not selected academic major.

71 OTTO SMITH OLB, 6-3, 210, 24, Senior, Columbia, S.C.

One of the fine players in recent Spartan history who's suffered injuries that have stymied him. Was all set for what was to have been a fine senior season last fall as a team cocaptain when he was injured early in the Ohio State opener and underwent knee surgery for the second time. Did not scrimmage in the spring, but kept in general good condition and will wait and see if he can get back into harness in 1976. If he can regain his 1974 form when he was All-Big Ten first-team end, the Spartan defense can be much more potent. Not big as outside men go, he makes up for size with quickness, toughness and smart play. His pass rush was mighty important to State in 1974. Played 158 minutes in 1973 to earn first letter and started some games. In 1974, he was a starter all the way with 298 minutes played and 65 solo and 49 assisted tackles to rank second on the team. Named UPI Midwest defensive player of the week for his Wisconsin game performance that year. Born 8-28-52. A 1972 graduate of Booker T. Washington High School. All-state line selection. Majors in health, physical education and recreation.

39 WILLIAM SMITH ILB, 6-0, 218, 20, Senior, Inkster.

Blossoming into solid and steady player late in his career and has a shot at No. 1 spot this fall. Did get much needed experience in 1975, playing 75 minutes in nine games and starting against Northwestern to earn first letter. He's a strong young man whose greatest asset is his quickness. The staff looks for fine things from him the final time around. Native of Detroit, born 5-9-55. Majors in urban and metropolitan studies. Graduate of Dearborn Heights Robichaud High School. Mid-Wayne League and all-state selection.

59 RAYMOND SPENCER OG, 5-11, 228, 21, Senior, Detroit.

The most experienced of Spartan offensive linemen, with three letterwinning seasons behind. Sub-par due to injuries for part of the spring practice period, but should be at full strength in the fall and after the starting slot. Probably the strongest and fastest guard in camp. Has been clocked in :04.6 for the 40. Picked up his third varsity letter last fall with 215 minutes played in 10 games — he missed all of the Purdue contest. In first two years, he played unnatural position of tackle, lettering in 1973 with 158 minutes and in 1974 with 187 minutes. In latter campaign, he missed last three games and had corrective knee surgery. Born 5-27-55 in Wichita, Kansas. At Central High in Detroit, he was an all-city guard choice for play on team that ranked third in the state his senior year. At State, he majors in food systems economics and management.

1 JEROME STANTON DB, 6-0, 181, 19, Sophomore, Detroit.

Settled in defensive backfield after quick look at offense in spring. Likes the cornerback position a lot. Has a ton of talent, with excellent speed a prime asset. Needs the experience, but the qualities he has make it seem almost certain he'll get the playing opportunity. Born 6-7-57. A 1975 graduate of Central High School with fine career record in football, track, basketball and baseball. All-city and all-state in grid sport. Played end on offense and in senior year caught 31 passes and scored 10 TDs. Anchored Central mile relay team to a victory in state meet in 1975. Marketing major.

prime asset is his upper body strength which serves him well in taking on opponents. Worked his way into contention late in his freshman season. Made the travel squad to Indiana and played three minutes. Got in for 10 against Northwestern. He's a 1975 graduate of Gordon Tech High School. Joined now at MSU by former teammate Steve Otis. Both were coached by Tom Winiecki, Spartan letterman in 1960-61. Illinois all-state selection. Born 1-24-57 in Chicago. Has not designated major field of study.

53 JAMES THOMAS DT, 6-1, 240, 20, Junior, Akron, Ohio.

Fine reserve performer with letters won his first two years with the varsity. Turned in good spring drill period, working some at tackle on weak side and also tried at middle guard. Early fall listing shows him as back-up to tackle starter Larry Bethea. Eager, hard-nosed young man and proficient in all phases of his game. No hesitation on part of staff to insert him most any time. Played in seven games for total of 61 minutes in 1975 to earn second letter. Was in for 64 minutes the year before to get first letter award. Born in Lorain, Ohio, 12-29-55, and attended St. Vincent High in Akron, graduating with class of 1974. All-city, all-state and Northeastern Ohio lineman of the year. No major field of study designated.

34 TERRY TINDOL ILB, 6-2, 207, 19, Sophomore, Battle Creek.

One of the youngest members of the Spartan linebacking corps who's making good progress towards contention for playing berth. Staff is hopeful he'll show even more development the second time around. Came to MSU after compiling standout record at Pennfield High School. All-city selection for two years and all-state mention on five different teams. Twice his team's most valuable performer. Battle Creek native, born 1-27-57. Dad was a baseball player at Notre Dame. Has not designated major field of study.

33 RICHARD UNDERMAN FB, 6-1, 222, 19, Sophomore, Elyria, Ohio.

Second-year Spartan with eye on berth among fullbacks. Has his work cut out for him, as position is one where team has many candidates. Saw brief game action as a freshman with appearances in three games totaling 11 minutes. Ran the ball once and gained six yards in the effort. Also returned one kickoff for 16 yards. Came to State after compiling fine career at Elyria High, with All-Buckeye Conference first team honors at fullback and linebacker his. His family has many collegiate athletic ties. His late father, Jack Underman, was a basketball great at Ohio State in 1946, with All-America selection and Big Ten MVP honors. Brother, Ray, played basketball at Bowling Green State. Rick is an Elyria native, born 9-29-56. He's a social science major in prelaw.

17 JOHN VIELHABER QB, 6-0, 180, 19, Sophomore, Findlay, Ohio.

Showed much improvement during first year with varsity and in spring drills made a good bid for quarterback playing role. Owns a good throwing arm and handles the offense well. Best bet is that he'll battle Ken Robinson for No. 3 position. Had a good chance to perform for the White team in spring game, and completed four of nine passing attempts for 34 yards. One of the completions was a five-yard flip to Dan DeRose for six points. Native of Akron, Ohio, born 3-31-57. A 1975 graduate of Findlay High. Second-team All-Buckeye Conference selection for quarterback in junior year. Injuries sidelined him in senior campaign. Cocaptain of school's grid and baseball units. Financial administration major.

75 RICHARD WASHINGTON OLB, 6-3, 218, 23, Senior, Pontiac.

One of the veteran mainstays of the defensive unit with two letters won and experience as a starter all last year. Always hustles and loves the game. Had a fine spring practice period and all things point to a fine senior season for him. Last year's success represented a great comeback from a serious neck injury incurred the year before in the Ohio State game. Rich feels no effect from that experience and saw 251 minutes of action in 1975 to earn his second varsity letter. In 1974, prior to his injury, he'd played 74 minutes, enough to win first letter. Defensive statistics last season showed him with 11 solos and 29 assists in tackles for a total of 30. Recovered two enemy fumbles and dropped ball carriers four times for losses totaling 30 yards. Now majors in urban and metropolitan studies. Native of Daytona Beach, Fla., born 8-10-53. As a lineman at Northern High, he was one of the area's top performers and earned all-state honors.

22 LEON WILLIAMS TB, 5-10, 185, 21, Senior, Norfolk, Va.

Contender for playing role among Spartan tailbacks. One of the swiftest of team members with varsity experience in track behind him. Lettered the last two seasons as tailback reserve. Had a good spring until injuries sidelined him the final week and he missed the wind-up game. Lettered last fall with appearances in seven games totaling 63 minutes. Rushed 31 times for

141 yards and two TDs — the first a key score on a five-yard sprint at Minnesota. Also returned two kickoffs for nine yards. The year before, he lettered with 68 minutes of varsity action. Stats showed 27 rushes for 70 yards and seven kickoff returns for 98 yards. Williams, who transferred from New Mexico Military Institute after one year, had his best track season in 1974. Finished fifth in Big Ten 100 in :09.6 and did :21.8 in the 220 for third place. Last year, he had a :06.2 60 as his best indoor race and did not compete in track outdoors, concentrating on football instead. A Lake Taylor High teammate of Tommy Graves now with Spartans. Norfolk native, born 11-20-54. Compiled fine grid and track career as prep. Majors in urban and metropolitan studies at MSU.

Showed much improvement during last spring's practice period and hopes to keep himself in contention for back-up role at flanker. Has the ability to get the job done. Performed for the White team in spring wind-up and gathered in four throws for 60 yards, one of his best scrimmage sessions as a pass receiver. Did not see varsity action in 1975 and was in for brief appearances in 1974 frosh season. Wide receiver and defensive back at Princeton High. He's a Cincinnati native, born 12-20-55. Greater Miami Conference honors went his way for prep play. No academic major yet designated.

4 TYRONE WILLINGHAM QB, 5-8, 160, 22, Senior, Jacksonville, N.C.

Twice has lettered, each time as back-up to the graduated Charlie Baggett. Came to MSU as a walk-on, and in 1973 stepped in late in season for injured Baggett and ran the club. Completed 10 of 19 pass tries for 124 yards. In junior season, played 60 minutes to letter, with no completions in seven tosses. Has been a valuable member of Spartan baseball team last two springs, with 1976 his finest year. Hit .308 as regular in center field. and made All-Big Ten second team and hit .387 in loop contests. He's a 1972 graduate of Jacksonville High. Was the school's MVP in football, basketball and baseball. Native of Kinston, N.C., born 12-30-53. Majors in health, physical education and recreation.

For away games, the helmets and pants are the same as for home games, but jerseys are white with all lettering in green. Green and white stockings and white shoes are worn both at home and away.

The Head Coach
Darryl Rogers

Darryl Rogers, a 14-year veteran of collegiate grid coaching, joined the Spartan athletic staff in April as the 17th head football coach in the 80-year history of the sport at Michigan State University.

The 41-year-old mentor came from San Jose State University where he put together a nifty 22-9-3 record in three years at the California school.

"I think Darryl Rogers is the best young coach in the country," said former Southern California coach John McKay.

"There can be no finer young man in any other football program in the country," contended Dr. John Bunzel, San Jose State president. "We owe him a great debt for his successes with our football program."

"In Darryl Rogers, we are bringing to Michigan State one of the nation's bright young coaches," noted MSU Athletic Director Joe Kearney. "He will present in Spartan Stadium a wide-open offense."

Rogers expressed his views on the new job and revealed something of his football philosophy by stating that "Michigan State offers an opportunity and a challenge that any coach looks forward to meeting.

"From what I gather, Big Ten coaches don't like to pass on first down, because if it's incomplete, that means they have to pass on the next two downs. The way I look at it, if you complete the pass on the first down, you don't have to worry about the next two downs.

"I enjoy football and I enjoy the relationship between a coach and a player. But I can't stand to lose, and if anybody can stand losing, he shouldn't be in coaching."

Rogers was born May 28, 1935, and received his B.A. in physical education in 1957 and his M.A. in physical education in 1964, both from Fresno State University.

He began his coaching career in 1961 as the defensive backfield coach for Fresno City College, a position he held until 1964. He then became the first head football coach for Hayward State University, holding that post one year, 1965, after which he returned to his alma mater to lead the Bulldogs to a 43-32-1 mark from 1966 through 1972. The Bulldogs competed in the Camellia Bowl in 1968 and in the Mercy Bowl in 1971.

Rogers started as head coach of San Jose State in 1973 and promptly turned the struggling Spartan program around. That year, the Spartans posted a 5-4-2 record, their first winning season since 1961.

During the 1974 season, Rogers led the Spartans to an 8-3-1 record, their best in 25 years. In the 1975 season, San Jose posted a 9-2 mark and became the Pacific Coast Conference champions. That same year, Rogers was voted Conference Coach of the Year, Northern California Coach of the Year and American Football Coaches Association District 9 Coach of the Year.

Rogers' 1975 mark at San Jose was the best the Spartans had recorded since 1946. One of the highlights of the campaign came when San Jose played San Diego State for the PCAA title in front of a record paid crowd of 20,339, in San Jose's Spartan Stadium, defeating the Aztecs, 31-7. The win put San Jose into the national rankings (15th by UPI and 20th by AP) for the first time in the history of the school.

The total record compiled by teams coached by Rogers over 11 seasons is 68 wins, 48 losses and four ties, for a winning percentage of .583.

Rogers was a wide receiver and defensive back while playing at Fresno State from 1955-57. As a professional football player for the Los Angeles Rams and the Denver Broncos from 1958-60, he was a defensive back.

Rogers is a member of the American Football Coaches Association (UPI balloter), California Coaches Association, Fellowship of Christian Athletes, National Association of Collegiate Directors of Athletics, California Association for Health, Physical Education and Recreation and Rotary Club.

Rogers and his wife, Marsha, have three daughters.

Director of Athletics
Dr. Joe Kearney

Offering the promise of dynamic new leadership is Dr. Joseph L. Kearney, who was named athletic director at Michigan State University on April 1, 1976.

Dr. Kearney's designation as the tenth person to fill the position since it was created in 1899 followed an extensive search-and-selection process. He succeeded Jack Shingleton who'd served in an acting capacity since October of 1975.

Kearney brings to Michigan State a broad background in educational and athletic administration, and has filled major roles with the Pacific Eight Conference and the National Collegiate Athletic Association. His doctorate is in higher education, specializing in college and university administration, and was earned in 1970 at the University of Washington.

Prior to making the move to East Lansing, Kearney had been director of sports programs at Washington, serving in that role since 1969.

"He is considered by his peers to be one of the truly outstanding athletic directors in the U.S. who has gained the respect of faculty representatives, coaches, athletes and students," said MSU President Clifton R. Wharton, Jr., in announcing his appointment.

Among the activities which have brought him national recognition are membership on the NCAA long-range planning committee and the NCAA committee on women's athletics, and his work as a special NCAA delegate to congress and the Office of Health, Education and Welfare relating to Title IX problems, and on committees which planned the special NCAA convention on cost-cutting in the summer of 1975.

His approach to the problems facing Michigan State's athletic establishment perhaps can best be appreciated by examining statements made in his first days at East Lansing.

"The time has come for the Michigan State University family to come out of the shadows into the sunlight, to stand together confidently and proudly," he said. "Michigan State is a strong and vital institution, as is its athletic arm.

"My main goals will be to go through the kind of clouded state we have now for three years, bring people together and build a degree of excitement and credibility."

Kearney is a native of Pittsburgh, Pa., born April 28, 1927. His family later moved to the west coast and he graduated from El Monte, Calif., Union High School in 1945. After serving in the U.S. Naval Air Force, he entered college at Seattle Pacific and earned the B.A. degree in 1952. While an undergraduate, he played four years of basketball and one year of football.

He began a teaching and coaching career at Paradise, Calif., High School in 1952-53. Following were stints as assistant basketball coach at Washington (1953-54); teacher, counselor and coach in three sports at Sunnyside, Wash., Senior High (1954-57); principal and head basketball coach at Onalaska, Wash., High, as well as football and baseball coach (1957-61); principal of Tumwater, Wash., High School (1961-63); and as assistant executive secretary for Washington Interscholastic Activities Association (1963-64).

Joe completed his M.A. degree at San Jose State in 1963 and started his doctoral work at Washington in 1964. He became assistant athletic director for operations in 1966 and was named director of sports programs in 1969.

He's married and with wife, Dorothea, has five children: Jan, Kevin, Erin, Shawn and Robin.

Pete Johnson

CAPSULE OUTLOOK

Ohio State will have 10 regulars back from last year's Big Ten championship team — three on offense and seven on defense. Obviously, the major needs are on offense. Five linemen must be found, with All-Big Ten fullback Pete Johnson the only returning back. The backfield will be inexperienced, but should be talented. Rod Gerald should be an exciting quarterback similar to the graduated Cornelius Greene. Two-time Heisman Trophy winner Archie Griffin will be missed. Defensively, the front seven should be strong, perhaps stronger than in 1975. The deep defense may be a shade weaker with the graduation of Tim Fox and Craig Cassady. The strength of the defense will be at tackle, where Nick Buonamici and Eddie Beamon are standouts.

Paul Nunu

CAPSULE OUTLOOK

Last year's 2-9 record is by no means indicative of the talent on Wyoming's squad. The Cowboys lost two games by six points and two contests by three in 1975. Top-rated Arizona State just edged Wyoming 21-20 a year ago. Second-year coach Fred Akers welcomes 34 lettermen back, but must replace 18 who have graduated. During the spring of 1976, Wyoming began its revolution against losing football by refurbishing its defense. Among the changes was defensive line great Paul Nunu's switch to middle linebacker. Twins Glynn and Lynn Hover transfered in and are expected to contribute. Depth is a problem on offense, with quarterback Don Clayton leading a contingent of young Cowboys.

Ted Brown

CAPSULE OUTLOOK

Although the Wolfpack has a new head coach in Bo Rein, N. C. State will flash the same wide-open, crowd-pleasing style that carried the school into four bowl appearances over the past four years. With 37 lettermen returning, State figures again to contend for both conference and national honors. Junior Johnny Evans heads up a stellar backfield that includes sensational running back Ted Brown and explosive fullback Ralph Stringer. The Pack boasts other top offensive performers in split end Elijah Marshall and All-America tackle candidate Mike Fagan. Defensively, State expects to show considerable improvement, fielding top performers in end Ron Banther, tackles Frank Hitt and Jim Henderson, linebackers Jack Hall and Bill Cherry, and backs Richard Carter, Richard Wheeler and Mike Miller.

Ken MacAfee

CAPSULE OUTLOOK

After leading an inexperienced group of Irish to an 8-3 record last season, coach Dan Devine is looking for some dividends in his second year at Notre Dame. A total of 12 lettermen are gone, including seven regulars. However, 42 monogram men return for the always powerful Irish. A fine stable of running backs will be present. CoCaptain Mark McLane, along with Al Hunter, Jim Browner and Jerome Heavens, should create a potent rushing attack. All-America Ken MacAfee is back at tight end after picking off 26 aerials and five TDs in 1975. Eight starters return on defense, headed by All-America candidates Ross Browner, Willie Fry and Jeff Weston. Cornerback Luther Bradley, thief of four passes last fall, joins veterans Mike Banks and Randy Harrison in the Irish secondary.

Rob Lytle

CAPSULE OUTLOOK

The youngest team ever to play at Michigan for Bo Schembechler is now a year older and, Bo hopes, a year wiser going into the 1976 college football season. Sophomore quarterback Rick Leach returns with fullback Rob Lytle and wingback Jim Smith. However, the loss of the graduated Gordon Bell leaves a gap. Additionally, almost the entire offensive line is back, led by guard Kirk Lewis. Most rebuilding will be done on the defensive squad, which lost four All-Big Ten performers. Still remaining are more honors candidates tackle Greg Morton and linebacker Calvin O'Neal. The secondary welcomes back regulars Dwight Hicks, Jim Bolden and Jim Pickens.

Tony Dungy

CAPSULE OUTLOOK

The Gophers are facing the 1976 season with guarded optimism. Minnesota returns 31 lettermen from last year's club, but for the most part, it will be a junior-sophomore-dominated squad. Only two seniors are slated to start on defense, and about five on offense. In terms of returning experience, Minnesota is welcoming back more than coach Cal Stoll can ever remember. Leading the optimistic Golden Gophers are seniors Tony Dungy and George Adzick. Quarterback Dungy led the conference in passing and total offense in 1975, breaking two Gopher records in the process. His 13 TD passes tied the record set by Purdue's Mike Phipps in 1969. Adzick returns to lead a stingy defensive backfield from strong safety. The secondary did not allow a touchdown during the entire 1975 season.

Dan Beaver

CAPSULE OUTLOOK

Fortunes for the 1976 Illinois gridiron season will ride with the strength of the Illini defense. Eight starters will return, with proven back-up personnel at every position, including Dean March and Chris Williams, injury victims a year ago. On offense, the Fighting Illini will be forced to replace Lonnie Perrin and Steve Green. But Blackman will not have to look far, with experienced runners Chubby Phillips and Larry Schultz on hand. The Illini kicking game could be the midwest's best, with All-America Dan Beaver and senior Phil Vierneisel back for their final season. Beaver, the team's place-kicking specialist, needs only 40 points in 1976 to surpass the immortal Red Grange as the school's all-time top scorer.

Blane Smith

CAPSULE OUTLOOK

At first glance, Purdue's graduation losses might appear monumental with Ken Novak and Ken Long gone. Head Coach Alex Agase welcomes back every other defensive starter except Novak, while seven offensive performers return for another tour of duty. In the absence of the graduated Mike Pruitt, stout Scott Dierking will handle a large part of the running chores. Dierking led the Boilermakers in rushing during each of the past two seasons, picking up 914 yards last fall. Two-year passing leader Mark Vitali returns, but his favorite target in '75, sophomore flanker Paul Beery, may find himself in the defensive secondary. Defensive end Blane Smith sacked the opposition quarterback four times in '75 and will be back for more of the same.

Courtney Snyder

CAPSULE OUTLOOK

Better balanced running power, more long-play capacity by ground and by air, more and quicker receivers, and a capacity to strike on a broader front are the attributes of the 1976 Hoosiers. Courtney Snyder, the third-leading rusher in the Big Ten last year, returns to head a dangerous offense. Good passing arms and speedy receivers promise more likelihood of the bomb. Improvement must come on defense, and emphasis on speed and quickness is expected to bear dividends. Defensive linemen Carl Smith and Craig Brinkman, along with backs Willie Smith and Tim McVay, form the core of Hoosier defense. Overall experience level is higher and the entire program appears to have moved forward appreciably.

Pete Shaw

CAPSULE OUTLOOK

An exciting and explosive offense and an experienced defense should provide the Northwestern Wildcats with a much-improved football squad in 1976. The Big Ten's second-leading passer, Randy Dean, when not handing off to the Northwestern career rushing leader, tailback Greg Boykin, will be throwing to the conference's two-time receiving leader, split end Scott Yelvington. Tight end Dan Cleary, tackle Tony Ardizzone and center Carl Peterson make up a formidable front line. The Wildcat defense will once again be anchored by free safety Pete Shaw and middle guard Paul Maly, both of whom are outstanding prospects for post-season recognition. In all, nine defensive starters return from last year's team.

Jim Hilgenberg

CAPSULE OUTLOOK

The loss of a dozen starters has not dimmed the enthusiasm of coach Bob Commings as he prepares for his third season at Iowa. Graduation claimed six players on each side of the line of scrimmage. But 37 return, giving the Hawkeyes the stuff to put together a very good defense. The offense will be harder to overhaul, with only one interior lineman back from the starting eleven. He is Jim Hilgenberg, and quarterback Butch Caldwell will depend heavily on his leadership. Running backs Dave Schick and Eddie Donovan are gifted players. The Hawks will have an impressive front-line defense, headed by Rick Marsh, Doug Benschoter, Lester Washington and Steve Wojan. They'll be supported by veteran secondaryman Shanty Burks.

The Story Behind The Nickname

Michigan State's first southern baseball training tour back in 1926 provided the setting for the birth of the "Spartan" nickname.

It all came about when two Lansing sportswriters imposed the "silent treatment" on a contest-winning nickname and substituted their own choice, the name that has lasted through the years.

In 1925, Michigan State College replaced the name Michigan Agricultural College. The college sponsored a contest to select a nickname to replace "Aggies" and picked "The Michigan Staters."

George S. Alderton, retired sports editor of the Lansing State Journal, and Dale Stafford, publisher of the Greenville News, at the time employed by the Lansing Capitol News, decided the contest-winning name was too cumbersome for newspaper writing and vowed to find a better one.

Among the nicknames rejected in the college-sponsored contest was "Spartans," the nomination of Perry J. Fremont, a former athlete.

While the baseball team was in the south that year, the nickname "Spartans" was first used. Rewriting game leads sent from Fort Benning, Ga., Mr. Alderton first used the name sparingly and then ventured into headlines with it. (Incidentally, after two days of spelling the name incorrectly with an "o," Mr. Alderton changed it to Spartan on a tip from a close friend.)

As Mr. Alderton explains: "No student, alumnus or college official had called up the editor to complain about our audacity in giving the old school a new name, so we ventured into headlines with it. Happily for the experiment, the name took. It began appearing in other newspapers and when the student publication used it, that clinched it."

The inception of the new name, "Spartans," did not occur without exacting a toll. "We paced the floor when he was born at Ft. Benning, Ga., admits Mr. Alderton.

The School Colors

Details are sketchy as to when Michigan State athletic teams officially began using the school colors green and white. But records of the Athletic Association of the then Michigan Agricultural College show that on April 11, 1899, the organization took steps toward adoption of a green monogram, "to be worn only by athletes who subsequently take part in intercollegiate events."

It is generally thought the colors came into wide use with the arrival in 1903 of Chester L. Brewer as the school's first, full-time director of athletics. Brewer also coached the Spartan football, basketball, baseball and track teams, the only varsity units in existence at the time.

'Sparty'

Standing at the entrance way to Michigan State's athletic building area is "The Spartan," a huge statue which represents the symbol of the university's athletic teams.

"The Spartan" was designed and produced by Leonard D. Jungwirth of the art department, and dedicated in June of 1945. It stands ten feet-six inches in height, and is mounted on a brick-and-concrete base five feet-four inches high. The statue weighs three tons and is one of the largest free-standing ceramic figures in the world.

Figures representing the 12 sports then included on the varsity program are incised on the base of the statue.

Popularly known as "Sparty," the statue is one of the favorite photo subjects of visitors to the campus, and it also rates highly with painters, both artistically and literally.

Three Spartan Numbers Retired

Three football jersey numbers have been retired in Michigan State's gridiron history. They are No. 78 worn by Don Coleman when he was a consensus All-America tackle in 1951; No. 90, worn by George Webster, All-America roverback in the Big Ten and national championship years of 1965 and 1966, and No. 46, as a special tribute to former Michigan State University president Dr. John A. Hannah.

Coleman's 78 was pulled out of circulation by Biggie Munn, then the Spartan head coach, in honor of the young man called the finest lineman to play for State.

The 90 belonging to Webster was set aside by Coach Duffy Daugherty in honor of the player who best symbolized the greatness of the fine Spartan teams during the two big seasons.

Daugherty also retired the 46 jersey, presenting it to Dr. Hannah on the occasion of his leaving the university in 1969 after 46 years of service to become director of the Agency for International Development in President Nixon's administration. Daugherty cited Hannah for important contributions to Spartan athletics over those years.

Webster Picked Greatest Spartan

Webster shares big moment, retirement of jersey No. 90 in his honor, with Biggie Munn and Duffy Daugherty.

George Webster, Gene Washington, Don Coleman, Earl Morrall — these four dominate the All-Time Michigan State Football Team. Webster is the All-Time Greatest Player; Washington, the top end; Coleman, the best interior lineman; and Morrall, the supreme back.

They were the leaders on over 300 ballots which came from the 1969 homecoming game program, the Michigan State Alumni Magazine and the Michigan State News, the student newspaper.

The All-Time Spartan team, with senior seasons noted:

Ends — Gene Washington (1966) and Charles (Bubba) Smith (1966).

Lineman — Don Coleman (1951), Dan Currie (1957), Norm Masters (1955), Dave Behrman (1962) and Ed Budde (1962).

Backs — Earl Morrall (1955), Clinton Jones (1966), George Webster (1966) and Lynn Chandnois (1949).

The all-time teams were named by each of the Big Ten schools as part of the observance last year of the 75th anniversary of the league. From them an All-Time All-Big Ten Team was named.

Spartans named to the All-Time Big Ten were Washington and Webster. Cited for honorable mention were Smith and Currie.

Nearly 100 former Spartans were named on one or more ballots for all-time honors. Webster had the destinction of being named variously as a lineman, end and back.

From the ballots, an all-time two-platoon team and an Old Timers' Team (pre-1940 players only) also were assembled.

The selections:

All-Time Offensive Team: Ends — Washington and Bob Carey (1951); **Linemen** — Coleman, Masters, Jerry West (1966), Budde and Behrman; **Backs** — Morrall, Jones, John Pingel (1938) and Everett (Sonny) Grandelius (1950).

All-Time Defensive Team: Ends — Sam Williams (1958) and Smith; **Lineman** — Ed Bagdon (1949), Jerry Rush (1964) and Harold Lucas (1965); **Linebackers** — Currie and Frank Kush (1952); **Backs** — Webster, Chandnois, Herb Adderley (1960) and George Saimes (1962).

Old Timers' Team: Ends — Ed Klewicki (1934) and Blake Miller (1915); **Linemen** — Sid Wagner (1935), Hugh Blacklock (1916), Frank Butler (1934), Gideon Smith (1915) and Lyle Rockenbach (1939); **Backs** — Pingel, Bob Monnett (1932), George (Carp) Julian (1914) and Neno (Gerry) DaPrato (1915).

Other former Michigan State players who just missed making the All-Time teams on the balloting included: **Ends** — Dorne Dibble (1950), Don Dohoney (1953) and Al Brenner (1968); **Lineman** — Carl (Buck) Nystrom (1955), Don Mason (1949), Dick Tamburo (1952), Earl Lattimer (1963), and Ron Saul (1969); **Backs** — LeRoy Bolden (1954), Sherman Lewis (1963), Walt Kowalczyk (1957), Al Dorow (1951) and Bob Apisa (1967).

Mennen Williams and the Spartans took initial possession with a 14-6 win. The trophy consists of a four-foot wooden statue of the legendary figure of the north woods astride an axe, mounted on a majestic five-foot stand. An "S" flag is on one side and an "M" flag on the other.

The "Old Brass Spittoon" goes to the winner each year of the Michigan State-Indiana football game. The trophy was initiated in 1950 by the junior and senior classes and the student council at Michigan State, and accepted by the Indiana U. Student Senate. The spittoon came from one of Michigan's earliest trading posts and is believed to be more than 100 years old. It was the students' thought that the spittoon was around when both institutions were founded (Indiana—1820 and MSU—1855) and mellowed along with the schools.

Spartan Stadium 9th Largest In Nation

Spartan Stadium, home of Michigan State football, ranks as the ninth largest college-owned structure of its kind (designed solely for football) in the nation and fourth largest in the Big Ten. Its 76,000-seat capacity is surpassed only by Michigan Stadium, Ohio Stadium and Wisconsin's Camp Randall Stadium in the conference and by stadiums at Tennessee, Stanford, California, Texas and Nebraska.

The listed capacity has been surpassed on 22 occasions, with the top draw being the 80,383 attracted to the 1975 game with Ohio State.

A series of projects paralleling the Spartans' rise to national football prominence enlarged the steel and concrete facility from its original 14,000 seats in 1923 to its present size in 1957.

The first came in 1935, the year in which the stadium was officially named Macklin Field, and boosted the capacity to 26,000. The 1948 enlargement raised the total to 51,000, and it has been noted that no crowd ever seated in the 51,000-seat plant could have been accommodated in the previous setup.

After 9,000 new seats upped the capacity to 60,000 in 1956, the upper decks were added to the east and west stands in 1957, bringing the capacity to 76,000. It also became Spartan Stadium that year.

Now the lower stands have 66 rows of seats on three sides with 47 rows in the north end zone. The first row is at field level and just 26 feet from the playing field sidelines. Each upper deck has 32 rows of seats and rises to 102 feet above ground level.

Spartan Stadium's maximum potential capacity has been estimated at 105,000. This could be reached with double-decking all the way around the field.

A major change at the stadium two years ago was the installation of AstroTurf synthetic surface, which replaced a previous synthetic covering used from the 1969 through 1973 seasons.

Cost of the project was $170,000. The carpet covers the entire field area of approximately 85,000 square feet.

The AstroTurf and impact cushion below it rest on a one-inch layer of fine textured

asphalt and a four-inch layer of black base asphalt which are formed to provide an 18-inch crown at midfield to permit good drainage.

Four years ago, new scoreboards and a modernized public address system were installed. The boards were provided by the Coca-Cola Company. In 1974, work was done in restoring portions of the lower west stands involving application of a protective coating to the concrete on which the seats rest.

As can be seen in the aerial photo, Spartan Stadium is surrounded by large parking lots and areas, such as the intramural play fields and Demonstration Hall drill field, which can be used for parking during football games. In addition, the University operates a shuttle bus service between the stadium and the huge Parking Lot "Y" at Farm Lane and Mt. Hope Road.

Since the original structure was opened in 1923, Spartan teams have played 266 games on the field. The record for the period is 196 wins, 59 losses and 11 ties. Only once has a State eleven lost more games at home than it won.

In 15 seasons, the Spartans have gone through the entire home slate without a loss, and in 22 campaigns, a single loss marred an unbeaten home season.

Most consecutive wins at the stadium number 19, from the third home game of 1950 through the last home game of 1953.

Spartans Draw Big Crowds

Big crowds at home football games became the rule for Michigan State starting in 1948 when Spartan Stadium was expanded to seat 51,000 and Biggie Munn-coached teams began to attract national attention.

The home average attendance in 1948 was 38,380 and the figures have climbed steadily to a point ranking among the nation's highest.

State has been in the top 10 in the nation since 1955. Over those years MSU has been as high as second on four occasions, third five times and fourth three times. Last fall, MSU was 7th. Averages and national rankings the last 20 years:

Michigan State University

Michigan State University has had a profound impact on higher education. At its founding in 1855, it opened the doors to higher learning for the first time to a great many young Americans. One of the nation's leading academic institutions, Michigan State today continues to pursue innovative approaches to public education and service. Under the leadership of its 14th president, Dr. Clifton R. Wharton, Jr., Michigan State is responding in new ways to the needs of an increasingly complex society.

More than 44,000 attend MSU, the state's largest institution of higher learning. In terms of excellence, as well as size, its proportions are impressive: it is a leader in attracting national merit scholars, and consistently ranks within the top 10 universities in the number of doctoral degrees granted. In four of the past five years, MSU students have been selected for Rhodes Scholarships, the best record of any public university.

MSU's students—from 87 foreign nations, every state and every county in Michigan—pursue a wealth of academic programs in 17 colleges, a graduate school and an honors college. Michigan State is the nation's only university with three schools of medicine: human, veterinary and osteopathic. Other curricula range from fine arts to business, engineering, food science and high-energy physics. Michigan State also offers programs in innovative fields designed to meet problems in the inner city, developing nations and a highly urbanized society. Prominent in this effort is the new College of Urban Development.

MSU's faculty, with broad competencies, is conducting some 2,800 research projects using such facilities as the cyclotron, the pesticide research center, a nuclear reactor, the MSU/Energy Research and Development Administration's plant research laboratory and the four lakes at the Water Quality Management Project. The university also utilizes nearby communities for social research and conducts research at experiment stations throughout the state.
